External guest: we provide bathrobe, slippers, towels and a locker for you.

We kindly request our guests to wear a swim suit in all spa areas.

Environment

The Spa is a place of peace, regeneration and relaxation. Please respect the privacy and peace of the other guests. The spa is a mobile phone, camera, and smoke free zone.

Age Requirement

Spa treatments are reserved for guests above 18 years old; below this age the person should be accompanied by an adult. We offer specific treatments for children aged 3 to 12.

Spa Policy

We strive to give you our very best in order to enhance your spa experience with us.

We adhere to certain policies for your own benefit, and create a harmonious environment where our therapists can focus on your needs.

We know you will have a pleasant experience with us as we aspire to exceed your expectations!

Arrival

We suggest that you arrive 10 minutes prior to your treatment.

You can prepare your skin doing a Hammam session before your treatment.

In case of a delayed arrival, your time will be limited, reducing the effectiveness and pleasure of the treatment;

we will try to accommodate your full appointment, providing that the next guest appointment won't be affected.

Your requested service will be fully charged. In the eventual case of non-arrival, the full treatment price will be charged.

Our Exclusive Brands

For The Benefit Of Your Mind & Body

ShivaAnanda®

Himalayan Tradition

By Master Anand M. Kambli

ShivaAnanda® has been created by Master Kambli to bring the wisdom of the Himalayan Masters to the world. Based on the ancient art of healing transmitted from Master to Disciple. Rooted in the most ancient traditions of the Indian continent and the one-to-one Master to Disciple knowledge legacy he received, our brand products are made to heal your body, sooth your emotions and free your mind.

At **Shivaananda®** nature and the cycle of the plants, flowers, roots, leaves and their growing process are the pillars of our creations.

We offer our gratitude to the Mother Nature for its healing power, and her service to us.

Biologique Recherche

Biologique Recherche Methodology has earned a reputation for outstanding effectiveness based on its clinical approach. The overall approach to skin care, which sees the skin as being directly linked to all other organs in the body and Doctor Philippe Allouche's expertise

Nougatine

Nougatine Paris has succeeded in combining Care and Entertainment by using Chocodélice or Sensidouce; your child will ally softness of the skin and the pleasure of sweet candy fragrances! We adapted our care products so that they are for their tastes and their desires and so that they take pleasure in taking care of their skin.
